ES INFORMACIÓN GENERAL

Por favor, inspeccione el producto inmediatamente después de recibirlo para verificar daños durante el transporte, falta de paquetes/piezas o defectos de fabricación. Los daños reportados más tarde no pueden ser aceptados. Maneje el producto con cuidado evitando golpes y cargas bruscas en todos los lados y bordes del vidrio.

Notas: El vidrio de seguridad no puede ser modificado (taladrado, limado, fresado Etc.).

Lea estas instrucciones cuidadosamente antes de comenzar la instalación.

Debe tener especial cuidado al perforar paredes para evitar tuberías ocultas o cables eléctricos.

Nota: Este producto es pesado y puede requerir dos personas para su instalación.

Instrucciones de mantenimiento:

Después de usar, su ducha debe ser limpiada con jabón y agua. Esto es particularmente importante en zonas de agua dura donde pueden depositarse sales de cal insolubles y acumularse. No se deben usar limpiadores de naturaleza arenosa o abrasiva. Se debe tener cuidado de evitar el contacto con químicos fuertes como solventes orgánicos y decapantes.

Se pueden usar limpiadores de vidrio, pero con precaución; si tiene dudas, contacte al fabricante del limpiador en cuestión.

Por favor, conserve estas instrucciones para el mantenimiento y detalles de servicio al cliente.

EN GENERAL INFORMATION

Please inspect the product immediately upon receipt to check for transport damage, missing packages/parts, or manufacturing defects. Damages reported later cannot be accepted. Handle the product with care, avoiding impacts and sudden loads on all sides and edges of the glass.

Notes: Safety tempered glass cannot be modified (drilled, filed, milled, etc.).

Read these instructions carefully before starting the installation. Take special care when drilling walls to avoid hidden pipes or electrical cables.

Note: This product is heavy and may require two people to install.

Maintenance Instructions:

After use, your shower should be cleaned with soap and water. This is particularly important in areas with hard water where insoluble lime salts can accumulate. Do not use abrasive or gritty cleaners. Be cautious to avoid contact with strong chemicals such as organic solvents and strippers. Glass cleaners can be used, but with caution; if in doubt, contact the manufacturer of the specific cleaner. Please keep these instructions for maintenance and customer service details.

FR INFORMATIONS GÉNÉRALES

Veillez inspecter le produit immédiatement après réception pour détecter les dommages dus au transport, les paquets/pièces manquants ou les défauts de fabrication. Les dommages signalés ultérieurement ne peuvent pas être acceptés. Manipulez le produit avec soin en évitant les chocs et les charges brusques sur tous les côtés et les bords du verre.

Notes: Le verre trempé de sécurité ne peut être modifié (percé, limé, fraisé, etc.).

Veillez lire attentivement ces instructions avant de commencer l'installation.

Une attention particulière doit être portée lors du perçage des murs pour éviter les tuyaux cachés ou les câbles électriques.

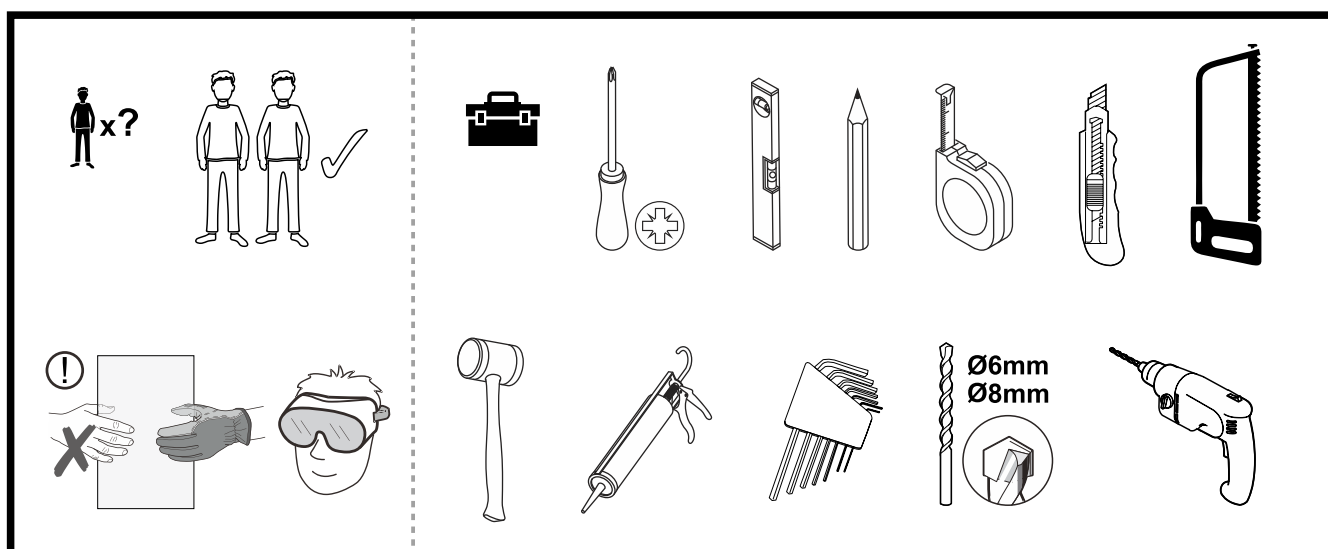

Note: Ce produit est lourd et peut nécessiter deux personnes pour l'installer.

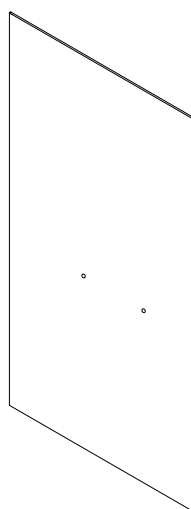

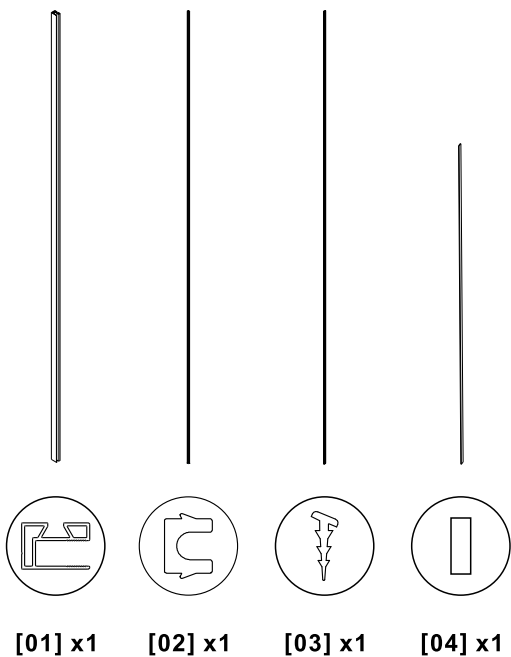

Instructions d'entretien:

Après utilisation, votre douche doit être nettoyée avec du savon et de l'eau. Cela est particulièrement important dans les régions où l'eau est dure, où des sels de chaux insolubles peuvent se déposer et s'accumuler. Les nettoyeurs de nature granuleuse ou abrasive ne doivent pas être utilisés. Il convient de faire attention à éviter le contact avec des produits chimiques forts tels que les solvants organiques et les décapants.

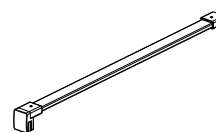

Les nettoyeurs pour vitres peuvent être utilisés, mais avec prudence; en cas de doute, contactez le fabricant du nettoyeur en question.

Veillez conserver ces instructions pour l'entretien et les détails du service clientèle.
